6th April 2020

Dear Parents/Carers,

Well done for getting through week two of this difficult and ongoing situation. I hope that you have been able to follow the advice from tutors regarding routines and even though it is difficult, you and your family are managing in these very constrained times. We are always here to listen and offer advice regarding anxieties so please do keep communicating with us regularly.

On that note some students have chosen to photograph or video their work and send it to their tutors. Please feel free to do the same and we will copy the best of them onto our website so that the boys can see what others have been getting up to. It will help the boys still feel part of our community and connected to their classmates.

We have been very busy this last week updating on-line work and resources as well as reviewing students work; printing out and sending off hard copies of work where needed and collating and distributing Free School Meal packs to all those who are eligible.

Regarding plans for after Easter break – I will update you on 17th April re plans for next term and how a possible phased re-entry might work. These plans are very fluid at the moment and may well change at the last minute, so I will keep you informed as and when we have a clear direction from both Government and the local authority. As it stands Mon 20th April was due to be an INSET day; if there is a possibility to open, this day would remain an INSET day for staff to allow time to make appropriate adjustments as well as organise transport.

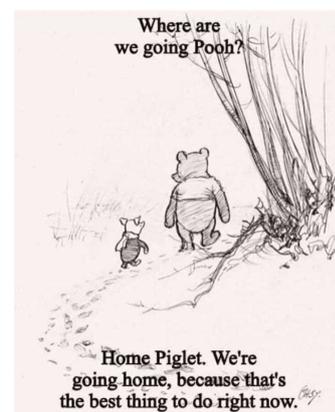

As Easter approaches I hope that all family members remain well and continue to follow the government guidelines on staying in and keeping everyone safe. I enclose a letter from the chief constable to remind us all about staying in and staying safe.

Thank you for your continued support of the wellbeing and safeguarding of all our community. Please contact us at any time and we will get back to you.

I wish you a happy and peaceful Easter.

Mrs M Davis
Headteacher

If any of this information is not clear please telephone the school on 01903 731277 where someone will explain it to you

Cornfield School is part of the Federation of Special Schools comprising Cornfield, Oak Grove, Palatine and Herons Dale
