16th July 2021

Dear Parents/Carers

Thank you for your patience with the changes this week; we have successfully navigated to the end of the week with further covid issues.

Next week we have an exciting Focus and work related learning week planned which will be a first time experience for most of the boys. Please can you help them by ensuring that they bring their swimming kit in on Monday (if they are in G1-5) and suitable work clothing and lunch if they are in G6. We have a very active week, which has taken an immense amount of organising as well as taking into account any covid safety issues. Please support us by making sure your son is prepared and equipped for the different days.

There is no need to wear school uniform next week; sports clothing including shorts will be perfectly acceptable (No jeans, if these are worn pupils will be sent home to change). It is going to be a wonderful weather week so can you include a hat/cap in their kit bag and where needed, apply some sun cream on your son before he comes in please.

In regards to the DfE and the government's latest changes, we will continue to work in school under the same protocols we have used this year. So masks will be needed for use in all transport, communal areas in school and on visits to the activities. We will also continue Lateral Flow tests in school and make sure all boys have a pack of tests to bring home for the holiday period.

Thank you for signing consent forms on school PING; a gentle reminder, if we do not have a signed consent form (paper or digital) your son will not be able to join in the offsite activity).

We will require the return of all laptops by next week if not all ready in school. This is so our I.T. provider can update and upgrade all electrical devices so as they can all run smoothly as learning platforms in September.

Please look out for daily updates and photos from your son's tutor during the week. Please contact the office as soon as possible if there is any delay in your son's arrival time at school, as we need to keep to a transport schedule for offsite.

Many thanks

Yours sincerely
Mrs M Davis
Headteacher

If you have any queries or concerns at all, please contact your son's tutor or the main office contact@cornfieldschool.org.uk and we will get back to you as soon as possible.

If any of this information is not clear please telephone the school on 01903 731277 where someone will explain it to you

Cornfield School is part of the Federation of Special Schools comprising Cornfield, Oak Grove, Palatine and Herons Dale
